Bedard Helps Veterans Visit WWII Memorial

Auburn, ME — Bedard Pharmacy & Medical Supplies donated the use of 25 wheelchairs to Honor Flight, a non-profit organization whose mission is to transport America's veterans to Washington, D.C. to visit those memorials dedicated to honor their services and sacrifices. Top priority is given to America's most senior heroes – survivors of World War II and any veteran with a terminal illness who wishes to visit their memorial.

The wheelchairs will be used to aid disabled veterans on their journey to the World War II Memorial in Washington, D.C. The flight left the Portland Jetport Monday, August 25th, and will return Wednesday, August 27th.

Bedard Pharmacy & Medical Supplies wanted to help make this trip possible for the disabled veterans scheduled to go. "Our veterans protected our freedom, and suffered and sacrificed to do so. We are proud to be a part of this great service," said Annette Nadeau, co-owner of Bedard.
