PRESS RELEASE

## Bedard Gives Meals on Wheels Recipients Holiday Gifts

**Auburn, ME** — Bedard Medical Supplies has partnered with Seniors Plus to give over 300 gift bags to Meals on Wheels recipients.

The gift bags are filled with everyday essentials, including hairbrushes, chapstick, flashlights, notepads and pens, and magnifier bookmarks.

Seniors Plus is delivering the gift bags between 12/11 - 12/12 with hot meal deliveries.

“The seniors who are part of the meals on wheels program are the very same people who have helped make our community what it is today. This year, all of us at Bedard wanted to reach out and let them know we’re thinking about them during the holidays. I really hope this gesture makes their holiday season a little brighter.”

- Annette Nadeau, CFO and Co-Owner of Bedard
